

Safety Policy

Safety is important to Unipart Rail and with the support of all members of staff I will ensure that

- ◆ Our Safety Policy and Statement of General Arrangements are implemented to eliminate unsafe acts or unsafe conditions
- ◆ Responsibilities are clearly defined and understood
- ◆ Safety Objectives are set and achievement reviewed annually
- ◆ Both employees and contractors are provided with a safe, secure and healthy working environment
- ◆ By working closely with our customers and suppliers, we will prevent the delivery of unsafe or inadequate products and services
- ◆ All accidents are investigated thoroughly, the cause identified and corrective action taken
- ◆ Staff are trained to carry out their work safely
- ◆ Adequate resources and funds are provided to meet Safety responsibilities
- ◆ Arrangements are made to ensure the Safety of all visitors
- ◆ Due consideration shall be given to avoidance of damage to property and the environment

The success of this Safety Policy requires the participation of all Unipart Rail staff, which is actively encouraged.

This Policy states my commitment on behalf of Unipart Rail to Safety.
