

LED Barrier Boom Light

Outstanding reliability with low maintenance LED technology

LEDs in signalling are set to become the industry standard

Cat N° 0086/028738

- Low maintenance
- Significant savings
- Shock resistant
- Easy to fit
- Weatherproof
- Integral hood

DORMAN

- Virtually zero maintenance cost
- Quick and easy to fit in the time it takes to replace a filament lamp
- Vandal resistant body
- Polycarbonate lenses in vandal proof assembly
- Requires no additional hood or fittings
- Capable of withstanding the severest of shocks
- Fully compliant with line specification RT/E/S/10073
- Uses high brightness LEDs (Signal Red Class B illumination)
- MTBF to catastrophic failure 250,000 hours (29 years) of normal use
- Sealed for life to IP54
