SERVING THE WORLD'S RAILWAYS

## Specialists in Electrical Safety Equipment

Over the last thirty years Boddingtons Electrical has established itself as a leading UK manufacturer and supplier of insulated tools and electrical safety products.

Boddingtons offer a variety of 1000V Insulated Hand Tools, manufactured to EN/IEC 60900:2012, which can be supplied individually or in customised kits to suit your project.

Kits are supplied in customised storage cases with foam inserts cut to your exact requirements, incorporating a wide range of high quality tools and safety products.

### Product benefits

- Customised cases and foam inserts to suit all requirements
- Create your own kit of tools
- Flexible storage solutions
- Prevents tools from unnecessary damage
- Permanent laser marking on the tools for ease of identification
- Easy to identify missing parts

### Insulated Tools Range

The importance of electrical safety and how to maintain working in a safe environment is crucial to anyone working within the rail industry.

The Boddingtons 1000V Insulated Tool range includes:

- Pliers
- Cable Cutters
- Spanners
- Screwdrivers
- Hammers
- Saws
- Allen Keys
- Nut Spinners
- Torque Wrenches
- Ratchets & Sockets
