

Sanitisation & Hygiene Products

from Unipart Rail

Help stop the spread of bacteria and viruses

Protect your customers and employees by raising awareness and promoting hygiene best practices in order to prevent the spread of bacteria and viruses.

Bacteria and Viruses - help stop the spread

The safety of our customers and employees at all times is paramount and essential to ensure we continue to keep the rail industry, and the UK, running.

The range of products available from Unipart Rail can help you protect the health and wellbeing of your customers and employees by raising awareness and promoting hygiene best practices in order to prevent the spread of bacteria and viruses.

Social Distancing Floor Graphics

The government has ruled that members of the public should maintain a distance of 2 metres from each other at all times, to limit the spread of COVID-19.

These floor graphics help to promote safe social distancing, as the self-adhesive vinyl finish means that each graphic can be securely affixed to the floor at 2-metre increments.

- Helps people adhere to the government's social distancing guidelines
- Self-adhesive vinyl finish allows each graphic to be securely affixed to the floor at 2-metre increments
- Eye-catching, vibrant design increases recognition of guidelines
- Provides a clear, accurate and visual 2-metre boundary
- Removes reliance on individual perception of 2 metres
- Bi-directional arrows provide a clear visual symbol that reinforces the idea of social distancing
- Each graphic has a 400mm diameter
- Graphics can be produced in any colour and branded with your logo

Cat Number - 0100/052429

Hygiene best practice signage

- Promote hygiene best practices in the workplace
- A3 size - 420mm x 297mm
- Bespoke branding with your logo
- Variety of material options

- Stay Flat Banner Material - **0100/052434**

Cut out Man and Woman Signs

Our Cut-Out Man and Woman signs help to ensure that safety messaging is prominent on site, thanks to their life-size, free-standing design and distinctive cut-out silhouette.

Crafted from weatherproof Di-bond, these robust signs assure that critical safety information can be instantly recognised by your team.

- Distinctive Life-Size, Cut-Out Sign – ensures that safety messaging is instantly identifiable
- Robust-Free-Standing Design - made from weatherproof Di-bond for durable outdoor use
- Portable - can be easily moved around to strategic positions on site, to best protect your team
- Completely Customisable - personalise with your logo, unique safety messaging or specific site procedures
- Reusable - magnetic vinyl can be used to quickly update the safety messaging, without having to replace the entire sign

Cat Number - 0100/052435

Completely Customisable

These signs can be personalised with your unique safety information or specific site procedures.

Magnetic vinyl can be applied to quickly update safety messaging, allowing the sign to be reused time and time again.
