2. BASIS OF CONTRACT

- 2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.2 The Order constitutes an offer by the Customer to purchase the Goods and/or the Services in accordance with these Conditions. The Customer is responsible for ensuring that the terms of the Order and any applicable Specification are complete and accurate.
- 2.3 The Order shall only be deemed to be accepted when Unipart Rail issues a written acceptance of the Order or begins to perform the Contract (whichever is the earlier), at which point the Contract shall come into existence.
- 2.4 The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of Unipart Rail which is not set out in the Contract.
- 2.5 Any samples, drawings, descriptive matter, or advertising produced by Unipart Rail and any descriptions or illustrations contained in Unipart Rail's catalogues, brochures or website are produced for the sole purpose of giving an approximate idea of the Goods and/or Services described in

them. They shall not form part of the Contract nor have any contractual force.

2.6 Any quotation given by Unipart Rail shall not constitute an offer. A quotation shall only be valid for a period of 30 Business Days from its date of issue.

3. SUPPLY OF GOODS

- 3.1 The Goods are described in the Specification, which shall be provided by the Customer in the Order.
- 3.2 The Customer shall indemnify Unipart Rail against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other reasonable professional costs and expenses) suffered or incurred by Unipart Rail in connection with any claim made against Unipart Rail for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with Unipart Rail's use of the Specification supplied by the Customer. This clause 3.2 shall survive termination of the Contract.
- 3.3 Unipart Rail reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements.

4. DELIVERY OF GOODS

- 4.1 Unipart Rail shall ensure that:
 - (a) each delivery of the Goods is accompanied by a delivery manifest which shows details to include, the date, Order number, the type and quantity of the Goods and special storage instructions (if any); and
 - (b) if Unipart Rail requires the Customer to return any packaging materials to Unipart Rail, that fact is clearly stated on the delivery note provided that pallets, collars, stillages, cradles and other specialist equipment shall at all times remain the property of Unipart Rail. The Customer shall make any such packaging materials available for collection at such times as Unipart Rail shall reasonably request. Returns of packaging materials shall be at Unipart Rail's expense. Failure by the Customer to make such packaging materials available for collection in accordance with this clause shall entitle Unipart Rail to levy a reasonable charge on the Customer in respect of the cost of Unipart Rail having to purchase replacement materials.
- 4.2 Unipart Rail shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (**Delivery Location**) at any time after the Goods are ready.
- 4.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location. The Customer shall be responsible for the offloading of all deliveries from delivery vehicles.
- 4.4 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. Unipart Rail shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide Unipart Rail with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.5 If the Customer fails to take delivery of the Goods on their arrival at the Delivery Location, then, except where such failure is caused by a Force Majeure Event or Unipart Rail's failure to comply with its obligations under the Contract:
 - (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the third Business Day after the day on which Unipart Rail notified the Customer that the Goods were ready; and
 - (b) Unipart Rail shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).
- 4.6 If 10 Business Days after the day on which Unipart Rail notified the Customer that the Goods were ready for delivery the Customer has not taken delivery of them, Unipart Rail may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.
- 4.7 Unipart Rail may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate Contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
- 4.8 Unipart Rail may, by giving notice to the Customer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to:
 - (a) any factor beyond Unipart Rail's control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
 - (b) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Specification; or

- 5.1 Unipart Rail warrants that on delivery the Consumable Goods shall conform in all material respects with their Specification.
- 5.2 Unipart Rail warrants that on delivery and for such period as Unipart Rail has the benefit of a warranty from its supplier (if any) (the "**Warranty Period**"), the Repairable Goods shall:
 - (a) conform in all material respects with their Specification; and
 - (b) be free from material defects in material and workmanship.
- 5.3 Subject to clause 5.4, if:
 - (a) the Customer gives notice in writing to Unipart Rail during the Warranty Period within three Business Days of discovery that some or all of the Repairable Goods do not comply with the warranty set out in clause 5.2;
 - (b) Unipart Rail is given a reasonable opportunity of examining such Repairable Goods; and

Standard Conditions of Contract for The Supply of Goods and Services

- (c) the Customer (if asked to do so by Unipart Rail) returns such Repairable Goods to Unipart Rail's place of business at Unipart Rail's cost.
Unipart Rail shall, at its option, repair or replace the defective Repairable Goods, or refund the price of the defective Repairable Goods in full.
- 5.4 Unipart Rail shall not be liable for the Repairable Goods' failure to comply with the warranty set out in clause 5.2 in any of the following events:
 - (a) the Customer makes any further use of such Repairable Goods after giving notice in accordance with clause 5.3;
 - (b) the defect arises because the Customer failed to follow Unipart Rail's oral or written instructions as to the storage, commissioning, installation, use and maintenance of the Repairable Goods or (if there are none) good trade practice regarding the same;
 - (c) the defect arises as a result of Unipart Rail following any drawing, design or Specification supplied by the Customer or where the Specification is inadequate;
 - (d) the defect arises as a result of the Customer's fitting of, alterations to or repairs to such Repairable Goods;
 - (e) the defect arises as a result of fair wear and tear, willful damage, negligence, or abnormal storage or working conditions;
 - (f) the Repairable Goods differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory requirement, or Railway Group Standards;
 - (g) the Repairable Goods are used outside of their historic usage;
 - (h) the Repairable Goods have been used in breach of clause 6;
 - (i) the defect arises as a result of a Design or Endemic Defect; or
 - (j) the defect arises as a result of the failure of another good.
- 5.5 Except as provided in this clause 5, Unipart Rail shall have no liability to the Customer in respect of the Repairable Goods' failure to comply with the warranty set out in clause 5.2.
- 5.6 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.
- 5.7 These Conditions shall apply to any repaired or replacement Goods supplied by Unipart Rail.
- 6. **PERMITTED USE OF REPAIRABLE GOODS**
 - 6.1 The Customer shall be entitled to take possession of and use the Repairable Goods supplied under a Contract to comply with its obligations in respect of the maintenance and repair of railway vehicles. The right to use the Repairable Goods expressly excludes the right to carry out or procure any repairs, modifications or additions to the Repairable Goods and the Customer shall not part with possession of, nor purport to lease the Repairable Goods or any of them, charge, pledge, mortgage or otherwise dispose of or deal in the Repairable Goods. The Customer hereby acknowledges and agrees that it shall not contract nor procure the repair or overhaul of any Repairable Goods other than with Unipart Rail.
 - 6.2 The Customer acknowledges that there is a limited supply of float of Repairable Goods (the "Float") and that from time to time the Float may be in a shortage of supply. The Customer agrees that it shall not unreasonably refuse a request by Unipart Rail to deliver up to Unipart Rail such of the Repairable Goods in the Customer's possession as have not been used or fitted to a railway vehicle or are not intended for immediate use. Unipart Rail shall pay the Customer an amount equal to the value of the price paid for the Repairable Good, once it is returned to Unipart Rail, subject to the condition of the Good when loaded by the Customer on Unipart Rail's vehicles being commensurate with that when delivered by Unipart Rail to the Customer, in default of which Unipart Rail shall pay a reasonable amount to the Customer.
 - 6.3 Upon delivery of a Repairable Good to the Customer, the Customer shall immediately make a failed Repairable Good available for collection by Unipart Rail. Under no circumstances shall the Customer be entitled to disassemble any Repairable Good and use it for the repair of other Goods.
 - 6.4 Without prejudice to the other rights of Unipart Rail, if the Customer uses a Repairable Good other than in accordance with this clause 6, Unipart Rail may at its discretion and upon reasonable notice charge the Customer either for the cost of a replacement Repairable Good of the same type or for the value of the benefit to the Customer of the use of the Good, but in any event, title in and ownership of any non-returned Repairable Good shall always remain with Unipart Rail and/or a ROSCO (as the case may be) and in the event that the Customer subsequently locates any such non-returned Repairable Good such shall immediately be made available free of charge for collection by Unipart Rail.
 - 6.5 Should Unipart Rail determine that a returned Repairable Good is incomplete or damaged (an "Incomplete or Damaged Repairable Good"), Unipart Rail may carry out such work as is necessary to return that Good to a condition such that repair, overhaul and maintenance work can begin and the cost of such work shall be charged to the Customer.
 - 6.6 The Customer shall indemnify Unipart Rail on demand against:
 - (a) any reasonable costs, losses, claims and expenses incurred by Unipart Rail as a result of the return of an Incomplete or Damaged Repairable Good, including Unipart Rail's liability to third parties for liquidated damages for late delivery; and
 - (b) any reasonable costs and expenses incurred by Unipart Rail as a result of the failure by the Customer properly to label and identify a failed Repairable Good.
- 7. **TITLE AND RISK (GOODS)**
 - 7.1 The risk in the Goods shall pass to the Customer on completion of delivery.
 - 7.2 Title to the Consumable Goods shall not pass to the Customer until Unipart Rail has received payment in full (in cash or cleared funds) for:
 - (a) the Consumable Goods; and
 - (b) any other goods or services that Unipart Rail has supplied to the Customer.
 - 7.3 Until title to the Consumable Goods has passed to the Customer, the Customer shall:
 - (a) hold the Consumable Goods in a fiduciary capacity on trust for Unipart Rail;
 - (b) store the Consumable Goods separately from all other goods held by the Customer so that they remain readily identifiable as Unipart Rail's property;
 - (c) permit and facilitate Unipart Rail at any time to enter any premises of the Customer or of any third party where the Consumable Goods are stored in order to inspect them;
 - (d) not remove, deface or obscure any identifying mark or packaging on or relating to the Consumable Goods;
 - (e) maintain the Consumable Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery and on request allow Unipart Rail to inspect the insurance policy;
 - (f) notify Unipart Rail immediately if it becomes subject to any of the events listed in clause 11.2; and
 - (g) give Unipart Rail such information relating to the Consumable Goods as Unipart Rail may require from time to time.
- 7.4 If the Customer becomes subject to any of the events listed in clause 11.2, or Unipart Rail reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided that title to the Consumable Goods has not passed to the Customer and that the Consumable Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy Unipart Rail may have, Unipart Rail may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Consumable Goods are stored in order to recover them.
- 7.5 Title to Repairable Goods shall at all times remain vested in Unipart Rail or the relevant ROSCO and shall at no time pass to the Customer.
- 8. **SUPPLY OF SERVICES**
 - 8.1 Unipart Rail shall supply the Services to the Customer in accordance with the Specification in all material respects.
 - 8.2 Unipart Rail shall use its reasonable endeavours to meet any performance dates specified in the Order or the Specification (as the case may be), but any such dates shall be estimates only and time shall not be of the essence for performance of the Services.
 - 8.3 Unipart Rail shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Services, and Unipart Rail shall notify the Customer in any such event.
 - 8.4 Unipart Rail warrants to the Customer that the Services will be provided using reasonable care and skill.
- 9. **CUSTOMER OBLIGATIONS (SERVICES)**
 - 9.1 The Customer shall:
 - (a) ensure that the terms of the Order for Services and any information it provides in the Specification are complete and accurate;
 - (b) co-operate with Unipart Rail in all matters relating to the Services;
 - (c) provide Unipart Rail, its employees, agents, consultants and subcontractors, with access to the Customer's premises, office accommodation and other facilities as reasonably required by Unipart Rail;
 - (d) provide Unipart Rail with such information and materials as Unipart Rail may reasonably require in order to supply the Services, and ensure that such information is accurate in all material respects;
 - (e) prepare the Customer's premises and/or the location at which the Services are to be performed for the supply of the Services including the obtaining of railway possessions, the positioning of vehicles and equipment and suitable site access if applicable;
 - (f) obtain and maintain all necessary licences, permits, permissions and consents which may be required before the date on which the Services are to start; and
 - (g) keep and maintain all materials, equipment, documents and other property of Unipart Rail (**Unipart Rail Materials**) at the Customer's premises in safe custody at its own risk, maintain Unipart Rail Materials in good condition until returned to Unipart Rail, and not dispose of or use Unipart Rail Materials other than in accordance with Unipart Rail's written instructions or authorisation.
 - 9.2 If Unipart Rail's performance of any of its obligations under the Contract is prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation (**Customer Default**):
 - (a) Unipart Rail shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays Unipart Rail's performance of any of its obligations;
 - (b) Unipart Rail shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from Unipart Rail's failure or delay to perform any of its obligations as set out in this clause 9.2; and
